

South Milwaukee Municipal Band

Our History & Rehearsals

Established in 1935, the band originally included 13 musicians, many of them recent graduates of South Milwaukee High School. By the time the band celebrated its 50th anniversary, its membership had grown to nearly 100. Over the years, the band has traveled extensively, participating in VFW and American Legion conventions around the country, playing at the New York World's Fair, and performing on original 1860s instruments at the Civil War Centennial celebration in Galena, Illinois. Closer to home, the band has marched in countless parades, including the famous Schlitz Circus Parade, and South Milwaukee's own Spectacle of Music.

Today, the Municipal Band no longer marches parades, but remains quite active, supporting the city of South Milwaukee at patriotic events, and delighting audience members at area retirement/ care facilities and at our summer outdoor concerts.

We are life-long musicians who enjoy sharing our talents with the community. Come join in the fun with the South Milwaukee Municipal Band!
